During the last days Jews have increased their satellite attacks to the brain and internal organs. Nonstop interference of mobile phone calls, laptop, re-directing calls intended for lawyers and technical support. The FSB has received photographs of some of the bandits who are without the slightest doubt right terrorists and saboteurs. Some are motivated by the ongoing Libyan conflict.

I write you to warn you once again against former USSR Cuban students still present in Russia and about the possible implication of the Cuban embassy in Moscow (the so called political officer). Russian embassy personnel in Tallinn involved in sabotage and torture using biotechnology satellite that has following capabilities:

1. Laser attacks to brain (skull) and internal/ external organs
2. Brain scanning and interference of brain waves
3. Attacks to tooth nerves that clearly classifies as torture
4. Bursts of eardrums
5. Other.

These operations have been carefully planned by the Cuban Jewish mafia since early 70's as far as I know, and
